To help you properly understand this policy's significant features, benefits and risks we've highlighted nine things we think you should know upfront.

01

This Policy Wording includes the policy wording which sets out the cover available and the terms and conditions which apply. To properly understand this **policy's** significant features, benefits and risks we've highlighted nine important things we think you should know upfront.

10 THINGS YOU SHOULD KNOW

1. WHO'S BEHIND THE POLICY

Your Insurer

2. YOUR DUTY TO US

Before you enter into, vary or extend an insurance contract, you must provide us with complete and up-to-date material information about everyone insured under your **policy**.

If we ask you questions that are relevant to our decision whether to insure you and on what terms, you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions.

You have this duty until we agree to insure you. If you do not tell us anything you are required to tell us, we may cancel your insurance contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the insurance contract as if it never existed.

3. IMPORTANT CORONAVIRUS (COVID-19) INFORMATION

COVID-19 has had a huge impact on travel both domestically and internationally. Travelling anywhere has become complex and there is a heightened chance of your travel plans being disrupted. We consider the global outbreak of COVID-19 to be a known event and for ongoing travel disruptions, including border closures, to be expected.

Cover under this **policy** is extended to include medical claims arising from a positive diagnosis of the Coronavirus (meaning COVID-19 or SARS-COV-2 or any mutation or variation of these) by a qualified medical practitioner while on your **journey**.

Cover is extended to include medical cover for COVID-19 under the following Sections of your policy:

Section 1: 24/7 Emergency Assistance Services

Section 2: Overseas Emergency Medical & Hospital Expenses

Section 4: Hospital Cash Allowance

General Exclusion 10 relating to **epidemics** or **pandemics** applies in all other circumstances and Sections of the **policy** regardless of when you purchased your **policy**.

It is important to understand what you are not covered for. Below are some (but not all) exclusions in the policy. Please refer to the **General Exclusions** section for other exclusions that apply to all sections of the **policy**.

This policy will not cover claims where:

- Circumstances existed that you knew or should reasonably have known of at the time you either bought the policy or booked your travel, that may affect your travel or give rise to a claim under the **policy**. (See General Exclusion 4 and General Exclusion 11).
- If your claim is associated with travel to countries for which a 'Do Not Travel' warning has been issued by the Ministry of Foreign Affairs & Trade (refer to: www.safetravel.govt.nz) or there are circumstances that a reasonable person in your position should be aware of that may affect Your travel. (See General Exclusion 11).
- The costs or expenses that you incurred relate to mandatory quarantine, lockdown, curfew, or isolation orders such as a border restrictions between states, countries, or regions, or if the government bans travel before or during your trip. (See General Exclusion 12)

4. WORDS WITH SPECIAL MEANINGS

Some words in this document have defined meanings. Where they appear:

'You' and 'your' means the person or people named in the certificate of insurance and their accompanying dependant children or grandchildren travelling with you for 100% of the journey, not in full-time employment at the date of policy issue and listed on your certificate of insurance.

'We', 'our' and 'us' means Zoom who deals with you as an agent for the **insurer**.

Other words in this Policy Document have a special meaning and appear in bold. When these words are used, they have the meaning set out in the relevant section or the Zoom [Travel Insurance Glossary](#).

5. WHO CAN BUY THIS POLICY

Residents of New Zealand

All plans are only available to New Zealand residents (as defined in the Travel Insurance Glossary) provided they meet the age limits criteria on the plan selected. Cover is only available if:

- you purchase your **policy** before you commence your **journey**; and

At that point, you will be responsible for all further costs, and cover under all sections of this product will end.

Consider Where You Are Going and How Often

The cover that is right for you will depend on where you are travelling to and how often.

Travel Regions Covered

When you apply for the **policy** you need to tell us where you are travelling to. The premium you pay for the **policy** depends on your destination(s).

The **policy** only covers loss, **injury** or **illness** which occurs in the countries you have told us you will visit; however, all stopovers of up to 2 nights in countries other than the USA are also covered.

PLEASE NOTE: We'll cover you for stopovers in the USA if you also nominate USA as a destination when you apply to cover.

Frequency of Travel

Our Frequent Traveller Plan (F) covers an unlimited number of trips both internationally and domestically for a twelve-month period. This plan applies to both leisure and business travel. The maximum number of days of cover for any one **journey** will depend upon which **policy** option you selected. This will be shown on your **certificate of insurance**.

MAXIMUM TRIP DURATION OPTIONS

To be eligible for cover:

- you must be 69 years of age and under; and

Please contact us if there is any uncertainty as to which geographical region applies.

While travelling in New Zealand, you will only have cover under the following sections.

[Section 3: Additional Expenses](#)

[Section 3A: Family Emergency](#)

[Section 15: Personal Liability](#)

[Section 16: Rental Vehicle Insurance Excess](#)

Cover will only apply if you are travelling to and from a destination which is a least 50 kilometres away from your **home**.

Your Choices

Under this **policy**, you choose the cover you require based on your travel arrangements, and the type of cover you want and are eligible to purchase.

You can choose from one of the following five plans:

PLAN TYPE		Specified Items	Cruise Pack	Snow Pack	Adventure Pack	Bicycle Pack	Golf Pack	Rental Vehicle Excess
C	Comprehensive	Yes	Yes	Yes	Yes	Yes	Yes	Yes
B	Standard	X	Yes	X	Yes	X	X	Yes
A	Medical Only	X	Yes	X	X	X	X	X
D	Domestic	Yes	Yes	Yes	Yes	Yes	Yes	Yes
F	Frequent Traveller	Yes	Yes	Yes	Yes	X	Yes	Yes

You can increase your cover by selecting one or more optional benefits when applying for cover. Additional cover is available for:

- Specified Items – you can increase your luggage cover by adding the **high value items** optional benefit;
- Cruise Pack- cover if you're heading on a cruise on a sea or ocean;
- Snow Pack – cover if you're going skiing, snowboarding or participating in any other **snow sports activities**;
- Adventure Pack – cover for some additional sports & activities not automatically covered under this **policy**;
- Bicycle Pack - cover for **bicycles** lost, stolen or damaged during your **journey**;
- Golf Pack – cover for **golf equipment** and related fees;
- Rental Vehicle Excess – cover for the excess payable if you're renting a vehicle.

You can reduce your premium by choosing to double the standard \$200 **excess** to \$400.

These additional options only apply if they have been selected by you, the appropriate premium has been paid and they are shown on your **certificate of insurance**. Please refer to the section titled **Optional Benefits** in this Policy Wording for further information on these benefits.

See the **Compare Plans Benefits Table** for a summary of the benefits and limits offered by each plan type.

7. COST OF THE POLICY

We'll tell you the premium payable for your **policy** when you apply for cover. It will be based on several factors including your travel destination(s), the length of your **journey**, the plan type you select, the amount of any **excess** payable, the number of persons and age of persons to be covered under the **policy**; and any optional cover you select. It will also include some government charges and taxes (e.g. GST).

Your total premium reflects the amount we calculate to cover these factors as well as any relevant government charges, taxes or levies (such as stamp duty or GST) in relation to your **policy**. These amounts are included in the total amount payable by you as shown in your **certificate of insurance**.

8. EXCESSES THAT APPLY

An **excess** will be deducted from the amount payable to you under certain Sections of the **policy**.

A \$200 **excess** per person, per claim applies to any one event unless otherwise specified in the **policy** or in the **certificate of insurance**.

You can double the standard \$200 **excess** to \$400 when you purchase your **policy**. You cannot remove the **excess** under any plan.

Please refer to [Compare Plans Benefits Table](#) for details on which **policy** sections an **excess** applies.

PLEASE NOTE: We may impose additional excesses for claims arising from some medical conditions.

9. YOUR MEDICAL HISTORY AFFECTS YOUR COVER

Please consider your medical history prior to buying a **policy**. Travel insurance policies provide cover for unforeseen sudden **injury** and **illness**. Zoom Travel Insurance will not pay any claims relating to any **pre-existing medical condition** unless you completed the medical screening process, paid any relevant additional premium and received written confirmation from Zoom Travel Insurance confirming that cover has been accepted for these conditions.

Please refer to the section titled [Pre-existing Medical Conditions](#) in this Policy Wording.

10. CANCELLING YOUR POLICY

If you decide that you do not want this **policy**, it's possible to cancel your travel insurance policy. You can do this via the [online policy manager](#) or you can contact us. It's important to understand that cancelling your **policy** means that that you won't be eligible for any cover, and you won't be able to make any claim under your policy. The following cancellation terms apply depending upon the circumstances.

14 Day (Cooling-off Period) Money Back Guarantee

You may change your mind about buying this policy within fourteen (14) days of issue of the **certificate of insurance** ('cooling-off period') and we will provide a full refund. We must receive your request within the 14 days either in writing or by email. Alternatively, you may log in to your [online policy manager](#) and cancel your policy online.

This cooling-off right only applies if:

- you cancel prior to the start of the first of the travel dates shown on your **certificate of insurance**; and
- your **journey** hasn't commenced; and
- you cancel within 14 days of your **certificate of insurance** and Policy Wording being issued; and
- you have not made a claim and do not want to make a claim or to exercise any other right under the policy.

Cancellation by You After 14 Days

You can cancel your policy after 14 days, and we will refund the amount you paid less the proportion of the premium for the period which you were insured. We will also deduct an administration fee of up to \$25 from the amount that we refund you.

However, no refund will be provided if you have made a claim, or you have exercised any other right under your policy. If you choose to end your journey early, we will not reimburse any premium of any unused portion of your policy.

Cancellation by Us

We may cancel this Policy at any time as allowed by law by notifying You in writing of the date from which cancellation is to take effect. We may only cancel in certain circumstances, including where you have:

- a) Breached your duty of disclosure;
- b) Breached a provision of your policy; or
- c) Made a fraudulent claim under any policy of insurance

If we cancel, we will only refund the portion of the premium for your policy for the period for which you were not insured. There will be no administration charge where we choose to cancel.

PRE-EXISTING MEDICAL CONDITIONS

Travel insurance will cover you when you've unexpectedly become ill or sustained an injury overseas. Medical conditions that exist prior to purchasing your policy affect your cover.

Pre-existing conditions can refer to a range of circumstances so please take the time to understand what we cover and consider your medical history carefully.

04+

PRE-EXISTING MEDICAL CONDITIONS

This travel insurance is designed to provide cover for emergency medical events that are sudden and unforeseen. Medical conditions that exist at the time the **policy** is issued are not covered unless you have declared ALL such conditions to us and we have agreed to cover them via written endorsement and you have paid any additional premium.

WHAT IS A PRE-EXISTING MEDICAL CONDITION?

A **pre-existing medical condition** is a defined term in the [Travel Insurance Glossary](#) and is outlined below. It means any one of the following:

1. any medical, dental, physical or mental condition, defect, disease or illness of which in the past 12 months you were aware or should reasonably have been aware of (due to symptoms a reasonable person in the circumstances would be expected to be aware of) and for which you (being all persons insured under the **policy** and set out in the **certificate of insurance**), your **relative** or **travelling companion** have:

- been diagnosed or had symptoms (even if a condition has not yet been diagnosed); or
- been prescribed medication;
- received (or are waiting for) medical treatment, including any kind of surgery;
- received (or are waiting for) tests, investigations or specialist consultation
- received or been advised to attend a follow-up consultation; and/or
- attended a hospital or clinic (as an outpatient or inpatient).

And/or:

2. any of the below medical conditions which you (being all persons to be insured under the policy) had at any time in your life.

- Heart conditions, including any cardiovascular or coronary heart disease or any condition related to your blood or heart vessels;
- Any condition that involves your brain, your lung & respiratory system or circulatory systems;
- Kidney conditions and kidney disease;
- Conditions involving the neck or back;
- Any type of cancer;
- Reduced or deficient immune system; and/or
- Any chronic or ongoing medical condition or terminal illness

DECLARING YOUR MEDICAL CONDITIONS

When you apply for a **policy**, we will ask you whether you have any **pre-existing medical conditions**. You will need to consider our definition and decide whether you do have any such conditions.

If you do, then you must complete our online medical screening before or at the time you buy your **policy**. You will be asked further questions about the particular condition(s) declared as part of our medical screening process. We will then decide whether to offer you cover for your **pre-existing medical conditions** and on what terms. We will let you know what our decision is in writing.

If we offer you cover and you decide to accept our terms and conditions and pay the additional premium, we will provide written confirmation of each **pre-existing medical condition**. You will not be covered for a particular condition unless we provide this written confirmation.

Where a condition cannot be covered, you will be advised that cover has been declined. In some instances, you may still be able to purchase a **policy** however you will not be covered for any losses arising directly or indirectly from, affected by, or exacerbated by that condition or any linked conditions.

If you have any queries regarding **pre-existing medical conditions** you should call us.

PLEASE NOTE: If you have a terminal illness, we will ask you to disclose this as part of our questions but will not ask you to complete the medical screening as we will not offer a **policy** at all in that instance.

In any case for conditions declared, this policy does not provide cover:

- for anyone who has been given a terminal prognosis.
- if you are travelling against medical advice
- if you are travelling with the intention to (or in any case do) obtain elective medical treatment (including any cosmetic or dental procedures)
- for ongoing or routine treatment or medication for any **pre-existing medical condition** which existed at the time of date of issue of the **certificate of insurance**.
- for any claims involving drug or alcohol dependency.

PREGNANCY

If you are pregnant when you take out the **policy** or fall pregnant afterwards, you are covered under the **policy** for serious unexpected and new pregnancy complications that occur up until and inclusive of the end of the 24th week of a single pregnancy, or the end of the 19th week for a multiple pregnancy.

This means that you must have returned **home** from your **journey** by the end of the 24th week for single pregnancies (or the 19th week for multiple pregnancies). If you don't and something happens after that period, you won't be covered whatever the circumstances.

Pregnancy Complications You Must Tell Us About

If you are pregnant when you take out the policy, you will need to tell us if you have had any complications in relation to a previous or current pregnancy by declaring the conditions in our medical screening process. You will also need to tell us if you are going through any fertility treatment such as IVF.

We will then determine whether and to what extent we can cover you for any claims relating to your pregnancy. Depending on the circumstances, we may decline to cover you, limit your cover and/or agree to provide cover for an additional premium. If cover is limited in any way, this will be noted in writing to you. These conditions apply whether you fall pregnant naturally or with medical assistance (for example, through IVF).

When Aren't You Covered?

You will not be covered for any claims that arise from any past or current pregnancy complications if those medical conditions were not disclosed to us and noted in writing. This means that if you don't tell us about current or past pregnancy complications at the time you buy your **policy**, or if you do tell us about them and we agree to cover them but you choose not to have cover for them, then you won't be covered for any claims that arise in relation to those pregnancy complications. You will also not be covered if you fail to disclose that you are undertaking fertility treatment.

In no circumstances we will pay any medical expenses for:

- regular antenatal care;
- fertility treatment, at any time;
- childbirth at any time;
- care of a newborn child.

08

CLAIMS

If an event occurs which you think might be covered by the **policy**, you may need to take some action right away. If you're overseas and need emergency assistance, contact us immediately. Our helpful emergency assistance team, First Assistance will be there 24 hours a day, 7 days a week to assist you. Emergency contact details can be found on our [website](#) or on the [Help & Emergencies page](#) of this document.

WHEN MAKING A CLAIM:

- For emergency claims such as, medical, hospital or dental claims, contact First Assistance as soon as possible so that we can assist your care and approve your expenses. In some cases, we may refuse to pay your claim if you don't notify them first.
- For the loss or theft of **luggage & personal effects** you must report the loss or theft of your belongings to the police or relevant authority or official as soon as practicable and obtain written evidence where possible.
- You must take all **reasonable** precautions to safeguard your **luggage and personal effects**. If you leave your **luggage and personal effects unattended in any place**, then we will not pay your claim. For an explanation of what we mean by **luggage and personal effects** and unattended, see [Travel Insurance Glossary](#).
- You must give us any information we reasonably ask for to support your claim at your expense, such as, but not limited to, police reports, valuations, medical reports, original receipts or proof of ownership. If required, we may ask you to provide us with translations into English of such documents to enable us to carry out our assessment of your claim.
- You must co-operate with us at all times in relation to the provision of supporting evidence and such other information that we may reasonably require.
- You must not admit that you are at fault for any event. You must not offer or promise to pay any money to anyone or become involved in litigation, without our approval.

FOR ALL GENERAL (NON-EMERGENCY) CLAIMS

If you are overseas or back home in New Zealand and wish to make a claim that does not need an emergency response, the easiest way to claim is via our online claim form at zoomtravelinsurance.co.nz/claims.

You will need to submit full details of any claim as soon as possible, preferably within 30 days of your return to New Zealand. You can contact us by emailing info@travelclaimscentre.com

View our [step-by-step guide on the claims process](#).

GENERAL CONDITIONS

The following applies to all sections of this **policy**:

Other Insurance

If any loss, damage or liability covered under this **policy** is covered by another insurance policy, you must give us details. If you make a claim under one insurance policy and you are paid the full amount of your claim, you cannot make a claim under the other policy.

If you make a claim under another insurance policy and you are not paid the full amount of your claim, we will make up the difference only. We may seek contribution from your other insurer. You must give us any information we reasonably ask for to help us make a claim from your other insurer.

Subrogation and Assistance with recovery

If you are aware of any third party that may be liable for your loss or damage, you must tell us about them.

We are entitled to and may (at our discretion), seek to recover compensation or secure indemnity from any party in respect of anything covered by this **policy**. You are to assist and permit to be done, all acts and things as required by us for the purpose of recovering compensation or securing indemnity from other parties to which we may become entitled or subrogated upon us paying your claim under this **policy**, regardless of whether we have yet paid your claim, and whether or not the amount we pay you is less than full compensation for your loss. These rights exist regardless of whether your claim is paid under a non- indemnity or an indemnity clause of this **policy**.

We will apply any money we recover from someone else under a right of subrogation in the following order:

- to us, our administration and legal costs arising from the recovery
- to us, an amount equal to the amount that we paid to you under the **policy**
- to you, your uninsured loss (less your **excess**)
- to you, your **excess**

If we have paid your **total loss** and you receive a payment from someone else for that loss or damage, you must pay us the amount of that payment up to the amount of the claim we paid you.

If we pay you for lost or damaged property and you later recover the property or it is replaced by a third party, you must pay us the amount of the claim we paid you.

How GST Affects Your Claim

BUSINESS TRAVELLERS: If you are entitled to claim an input tax credit in respect of a cost for which a claim is made, or would be entitled to an input tax credit if you were to incur the relevant cost (i.e. in replacing a lost or stolen item), the amount we would otherwise pay will be reduced by the amount of that input tax credit.

TRAVEL WITHIN NEW ZEALAND TRAVELLERS: If you are entitled to claim an input tax credit in respect of your premium, you must inform us of the amount of that input tax credit (as a percentage) at the time you first make a claim. If you fail to do so, you may have a liability for GST if we pay you an amount under this **policy**.

Fraud

If you make or try to make a claim that is not true, correct, did not occur, is misleading or exaggerated or uses any fraudulent means, we will not pay your claim. Your cover under this **policy** will be voided (without any return of the amount you have paid). We may report you to the appropriate authorities and you may be prosecuted.

Insurance fraud places additional costs on honest policyholders. Fraudulent claims force insurance premiums to rise and we encourage the community to assist in the prevention of insurance fraud. Please contact us via email info@zoomtravelinsurance.co.nz should you wish to report suspicion of fraud.

All information will be treated with full confidentiality and protected in line with our privacy policy and to the full extent of the law.

ZOOM'S CLAIMS PROCESS

1 Submit Your Claim Form

You must give us notice of your claim as soon as possible by completing the claim form available at zoomtravelinsurance.co.nz/claims.

When submitting your claim, make sure you provide us with full information. If you delay submitting your claim, or provide us with insufficient information and we are disadvantaged as a result, we may need to reduce the amount we pay in settlement of your claim.

You can contact us by emailing info@travelclaimscentre.com

2 Claim Assessment

We will assess your claim within 10 business days of receiving it, provided we have all necessary information and documentation. If we need additional information, we'll let you know within 10 business days and provide an initial estimate of the timetable and process for making a decision.

Once our assessment is complete, we'll decide whether to accept or deny your claim. If it is denied we'll let you know in writing and give you our reasons.

3 Claim Payment

If your claim is accepted, we'll pay the amount due to you in New Zealand dollars. We'll pay this to you unless you ask us to pay someone else.

Depreciation will be applied to claims for **luggage and personal effects** at the rate we determine appropriate.

IMPORTANT MATTERS

When you buy a Zoom travel insurance policy, it's important for you to understand your rights and our responsibilities to you. Please also note that you have a duty of disclosure as outlined in the section Before You Buy a policy at the front of the Policy Wording

09

IMPORTANT MATTERS

Under your **policy** there are rights and responsibilities which you and we have. You must read this Policy Wording in full for more details, but here are some you should be aware of.

Period of Cover

The earliest that cover under the **policy** starts is when we give you a **certificate of insurance**. This confirms the period for which you are insured.

Importantly:

- Cover for **Section 8: Cancellation Fees and Lost Deposits** starts on the date the **certificate of insurance** is issued.
- Cover under all other Sections starts on the first of the travelling dates shown on your **certificate of insurance**.
- All cover ends on the earlier of the date you return **home** or the last of the travelling dates shown on your **certificate of insurance**.
- If you need to return **home** during your **journey** (unless it is a claimable event), cover provided by your **policy** will be suspended from the time you return to your **home** until the time you leave your **home** to continue your **journey**. Please note that it does not change the end date of your **policy**. Following resumption of your **journey** your policy will remain valid until the end date shown on your **certificate of insurance** or your permanent return to your **home**, whichever happens first. We will not pay any cost in relation to your return to New Zealand (unless these cost are covered by this **policy**) or for your expenses to travel overseas to resume your journey. Any illness or injury you have developed, show symptoms for, have diagnosed or treated in New Zealand before you resume your journey will not be covered in the remaining insurance period, as it will be considered as a **pre-existing medical condition(s)** from the time you resume your **journey**.

Limitation of Cover

Notwithstanding anything contained in this Policy Wording we will not be deemed to provide cover nor will we make any payment or provide any service or benefit to any person or party where providing such cover, payment, service or benefit would contravene or violate any applicable trade or economic sanction or any law or regulation.

Extension of Cover

You may extend your cover free of charge if you find that your return to New Zealand has been delayed because of one or more of the following:

- a bus line, airline, shipping line or rail authority you are travelling on, or that has accepted your fare or **luggage and personal effects**, is delayed; or
- the delay is due to a reason for which you can claim under your **policy** (subject to our written approval).

If the delay is for any other reason, we must receive your request to extend cover prior to your original **policy** expiry date. Cover will be extended subject to our written approval, and your payment of the additional premium.

Where we have agreed to extend cover, we will issue you with a new **certificate of insurance**. The period of cover cannot exceed 12 months from the start of the first of the travel dates shown on your **certificate of insurance**.

Conditions where extensions of cover are not available:

- for medical conditions you suffered during the term of your original **policy**;
- where you have not advised us of any circumstances that have given (or may give) rise to a claim under your original **policy**;
- under Plan C (Comprehensive) and Plan D (Domestic) where at the time of the extension you are aged 86 years or over;
- under Plan B (Standard) and Plan A (Medical Only) where at the time of extension you are aged 80 years or over;
- if you are aged 80 years or over at the time of your extension, the period of cover cannot exceed 6 months from the start of the first of the travel dates shown on your **certificate of insurance**;
- Plan F (Frequent Traveller) is an annual multi-trip policy and cannot be extended.

Confirmation of Cover

To confirm any **policy** transaction (if the **certificate of insurance** does not have all the information you require), please call us using the contact details on the back cover of this Policy Wording.

Jurisdiction and Choice of Law

This **policy** is governed by and construed in accordance with the laws of New Zealand. If you purchase the **policy**, you agree to submit to the exclusive jurisdiction of the Courts of New Zealand. You agree that it is your intention that this Jurisdiction and Choice of Law clause applies.

You Can Choose Your Own Doctor

You may choose your own **medical adviser** or First Assistance can appoint an approved **medical adviser** to see you, unless you are treated under a **reciprocal health care agreement**. If you do not get the medical treatment you expect, although First Assistance can assist you, neither we nor First Assistance will be liable for anything that results from that treatment.

If you are advised that you need medical transfer or evacuation to New Zealand, you or member of your travelling party **MUST** contact First Assistance as soon as possible and obtain their prior approval to any expenses.

If you do not contact First Assistance or follow their guidance, we will not pay any expenses that would have been avoided or minimised if you had followed their guidance.

Updating the Policy Wording

We may need to update this Policy Wording from time to time if certain changes occur where required and permitted by law. We will issue you with a new Policy Wording or a supplementary Policy Wording to update the relevant information, except in limited cases.

Where the information is not something that would be materially adverse from the point of view of a **reasonable** person considering whether to buy this product, Zoom Travel Insurance may issue you with notice of this updated information in other forms or keep an internal record of such changes.
